- We offer credit accounts to commercially registered vehicles / fleets. Privately registered / personal vehicles are ineligible. Do you want us to work on a personal vehicle? Take advantage of the many methods of payment we accept!
- We are unable to offer “immediate approval” for completed credit applications. Accounts are COD until our accountants have completed their credit investigation process. If you have NOT received a “credit approved” letter, your account is still COD and subject to our standard “payment upon pickup” terms.

The undersigned acknowledges that Fleet Guardian, LLC will be using this information set forth on this application as a basis to determine whether to extend credit to the applicant.
